NOTES:

This application will be rejected unless fully completed

Radiology Reports will only be distributed when finalised. This can take several weeks.

You will receive a secure email from MyFT one your request has been completed. Users will have to create a login to this protected platform to view the information sent. This cannot be forwarded onto a different email for security reasons.

Viewing Radiology images is only possible by using a PACS Viewer. If you are a patient who is wanting your Medical Practitioner to view these images, please provide their details above and we will send it on your behalf.

RPH Radiology imaging cannot be viewed on a mobile device.

Return your application form with a **COPY OF YOUR ID**
(eg: drivers licence, passport, concession card, birth certificate)
to RPH.PACS.Requests@health.wa.gov.au
