What do you need to know for the day of your treatment?

Please arrive at the reception desk 10 minutes before your appointment time. Our receptionist will take your personal details and guide you to the waiting area.

Please note:

- › You must bring your regular medications with you; especially your insulin and pain medications.
- › We provide hot and cold beverages and a light lunch. You are welcome to bring your own food to suit your dietary requirements.
- › We encourage you to bring your own entertainment with you e.g. iPad, book etc.
- › Drink plenty of water before your appointment. It assists with your treatment and recovery if you are well hydrated prior to arriving on the unit.
- › Treatment times can vary according to the type of treatment you will receive. We encourage you to wear loose comfortable clothing.

What to expect from your treatment on MDU

- › Once you are admitted to the unit, you will be greeted by your nurse who will perform a comprehensive health assessment before administering your treatment
- › We provide comfortable reclining treatment chairs
- › We focus on supporting you and keeping you well informed throughout your treatment
- › We encourage you to share your concerns with us and request further information if required.
